Who can come?

ANUSA OGM meetings are open to all students at the ANU. All students can vote.

Who can submit motions? What are the deadlines for them?

All students at the ANU student can propose, move, second, and vote on motions at the ANUSA OGM.

If you wish to submit a motion for consideration, please email it to the General Secretary by 5pm on Wednesday, 19 March.

If you want to submit a motion, here are some helpful tips!

- Submit with time before the deadline! This allows any changes that need to be made to be made before the meeting.
- Think backwards! Start with the goal for what you want to achieve, and then write a motion to support that intended goal.
- Consult people with relevant experience, which can include but are not limited to the ANUSA Executive, Department Officers, ANUSA-affiliated Club Presidents or committee members, Residential Hall leaders, or former ANUSA representatives who have done similar work.
- Make sure your motion is within the powers of the meeting to which you're submitting it for consideration, doesn't contradict the ANUSA Constitution or Regulations, complies with ACT and Federal laws, is not defamatory towards any individuals, and is clear and concise!
- Reach out to the General Secretary via email if you need advice!

If you have any questions about this meeting, please don't hesitate to contact the General Secretary at sa.gensec@anu.edu.au.
