Stella

- Academic board 'monitoring' situation in the Middle East
- ANU wanting to be more competitive on international scholarships.
- AB is introducing an Academic Risk Sub-committee.
  - o Aurora: Thought we already had one?
  - o Stella: This is the official chartering. Monitoring, advising and reviewing academic board on academic and research activities that could impact on strategic objectives at the University. A student member to be nominated to it.
- AI literacy programs. Doing a WG.
  - o We had someone come into the ANUSA office come for the AI literacy program.
- Disestablishing all the courses which haven't run in 6 years from the website. Most are CASS and CLGP.
- Discussion on admissions & international admissions & high schools.

Kamal

- There was an EOI to sit on the transition working group for the new diplomas. I have been selected, will be good to have student perspective and transparency on this.
