

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF  
THE AUSTRALIAN NATIONAL UNIVERSITY  
STUDENTS' ASSOCIATION INCORPORATED**

**Report on the Financial Report**

We have audited the accompanying financial report The Australian National University Students' Association Incorporated, which comprises the statement of financial position as at 30 November 2015 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the Executive.

***Executive's Responsibility for the Financial Report***

The Executive Members of the Association are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Act (ACT) 1991 and for such internal control as the Executive Members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Independence***

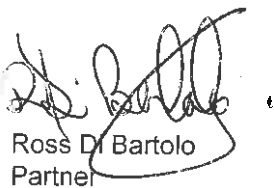

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

### **Auditor's Opinion**

In our opinion the financial report of The Australian National University Students' Association Incorporated is in accordance with the Associations Incorporation Act (ACT) 1991 including:

- i. giving a true and fair view of the Association's financial position as at 30 November 2015 and of its performance and its cash flows for the year ended on that date; and
- ii. complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Act (ACT) 1991.

**THE AUSTRALIAN NATIONAL UNIVERSITY  
STUDENTS' ASSOCIATION INCORPORATED**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 NOVEMBER 2015**

The financial statements cover The Australian National University Students' Association Incorporated as an individual entity. The Australian National University Students' Association Incorporated is an association incorporated in the Australian Capital Territory under the Associations Incorporation Act 1991.

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Associations Incorporation Act 1991.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

**Accounting Policies**

**(a) Employee Benefits**

Provision is made for the Students' Association's liability for employee benefits arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year, together with entitlements arising from wages and salaries and annual leave that will be settled after one year, are measured at their nominal amount. The Students' Association adopts an estimation method that has been developed to approximate the present value of the estimated future cash outflows to be made for long service leave entitlements.

Contributions are made by the Students' Association to superannuation funds and are charged as expenses when incurred.

**(b) Cash**

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks or financial institution and investments in money market instruments maturing within less than two months and net of bank overdrafts.

**(c) Income Tax and GST**

The Association is exempt from Income Tax under Division 50 of the Income Tax Assessment Act 1997. The Association is registered for the Goods and Services Tax. Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

STUDENTS' ASSOCIATION INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 NOVEMBER 2015

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**(d) Fixed Assets**

Fixed assets are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Executive Officer to ensure it is not in excess of the service potential of those assets. As the Students' Association is a not-for-profit entity, it is not appropriate to use the recoverable amount as a measure of service potential.

The depreciable amount of all fixed assets including capitalised lease assets is depreciated over their useful lives commencing from the time the asset is held ready for use.

The depreciation rates used for each class of assets are:

Class of fixed asset	Depreciation rates	Depreciation basis
Plant and equipment	10 – 66.67 %	Straight Line & Diminishing Value

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

**(e) Critical accounting estimates and judgments**

The Association's management incorporates evaluations, estimates and judgments into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

**(f) Impairment of Assets**

At each reporting date, the Association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the company would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an assets class, the company estimates the recoverable amount of the cash generating unit to which the class of assets belong.

Current trade receivables are non-interest bearing loans and are generally receivable within 14 days. A provision for impairment is recognised against subscriptions where there is objective evidence that an individual trade receivable is impaired. Impairment was not required at 30 November 2015 (2014: \$ 0).

**Credit risk**

The Association has no significant concentration of credit risk with respect to any single counterparty or group of counterparties other than those receivables specifically provided for and mentioned within Note 3. The main source of credit risk to the entity is considered to relate to the class of assets described as trade receivables.

The following table details the Association's trade receivables exposed to credit risk with ageing analysis and impairment provided for thereon. Amounts are considered as 'past due' when the debt has not been settled within the terms and conditions agreed between the Association and the member or counterparty to the transaction. Receivables that are past due are assessed for impairment by ascertaining their willingness to pay and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Association.

The balances of receivables that remain within initial terms (as detailed in the table) are considered to be of high credit quality.

**NOTE 8: FINANCIAL RISK MANAGEMENT**

**(i) Financial risk management policies**

The Association's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivables and payables. The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

**Financial assets**

Cash and cash equivalents	1,706,348	1,788,296
Trade and other receivables	51,987	4,617
<b>Total</b>	<u><b>1,758,335</b></u>	<u><b>1,792,913</b></u>

Trade and other payables	66,667	188,849
<b>Total</b>	<u><b>66,667</b></u>	<u><b>188,849</b></u>

**(ii) Interest rate risk**

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at reporting date whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments.

**(iii) Liquidity risk**

Liquidity risk arises from the possibility that the Association might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The Association manages this risk through the following mechanisms:

- preparing forward looking cash flow analysis in relation to its operational, investing and financing activities;
