Should this occur, "Melville Hall Student Space" shall revert to "Union Court precinct" and this clause will cease to have affect.

Therefore section 2.5.1 shall read:

On each of the four Teaching Days upon which the Annual Elections are held, at least 5 hours of polling must be conducted in the Union Court precinct\*. The Returning Officer or their nominee must ensure procedures are in place to enable ordinary members of the Association to cast their vote in the Union Court precinct at these times.

\*For the duration of the Union Court Redevelopment project, "Melville Hall Student Space" shall be substituted for "Union Court precinct" until the completion of the Union Court Redevelopment or the Pop-up Village is demolished, whichever most convenient. Should this occur, "Melville Hall Student Space" shall revert to "Union Court precinct" and this clause will cease to have affect."

Moved: Kat Reed

Seconded: James Connolly

Status: Passed

- Substitute Melville Hall for Union Court
- What we know is that Melville hall will be a student space and the back of the hall will be offices
- Basically, this amendment basically means future gensec can delete this and doesn't need to go to a meeting to change location

#### **Further Information**

#### 1. Welcome

Welcome to the ANUSA Annual General Meeting for 2017 and thank you for participating in the governance of your student association. The year thus far has seen the Association have some great successes, some of which are outlined in my report. The key successes to note include;

- Receiving a guarantee from the ANU that there would be no exams on Sundays or public holidays and that classes would run 8am-6pm rather than from 8am-9pm as was previously considered.
- Formation of a dedicated student advocacy group to respond to developments in the Group of 8.
- Introduction of the Medical Emergency Grant.
- Formation of an ANUSA Mature Aged Students Committee.
- Year on year increases of the Association's SSAF Allocation.
- Many more...

Since the 2016 AGM the Association has had considerable success for which much of the credit is owed to the 2016 Executive. I would like to acknowledge Ben Gill, Clodagh O'Doherty, Sean Macdonald, Sam Duncan and Helena Hu whose work included addressing inequities in payment to office-bearers, reports into the Counselling Centre and EAPs, the Clubs Council, online elections and review of our financial policies.

As always, the remainder of the year looks to be exciting, though not without its challenges. Please get in touch with myself at <a href="mailto:sa.president@anu.edu.au">sa.president@anu.edu.au</a> if you have any questions or ideas regarding the Association.

# 2. Membership Solutions Limited (MSL)

Membership Solutions Limited (MSL) is an online platform that has the capacity to host websites, election, forms and communication networks. Previously ANUSA has

had a website on Wordpress, in-person elections and a clubs and societies network hosted on Orgsync. The website frequently crashed and had limited capacity to host huge amounts of content and Orgsync had limited success because of insufficient buy-in from the student body inhibiting the capacity of clubs to engage members. For these reasons ANUSA sought to engage MSL to have a better website and clubs platform. We successfully negotiated a data-sharing agreement with the ANU to ensure that there would be greater buy in from students that enabled ANUSA to tailor its communications strategy.

To note, I have signed a Supplementary Licence Agreement between ANUSA and MSL so that they will be our main online platform. The agreement cost ANUSA and PARSA \$93,712. There are delays in the club reimbursement function, SEEF and elections module as well as glitches in the website as the domain transfers from Wordpress to MSL. Temporary measures have been put in place to address these delays. The difficulty in communication with MSL is that they are London based affecting times in which we can communicate. I will continue to liaise with staff and MSL to see these matters rectified. We are working as hard as we can to address these delays and we appreciate the patience of the student body.

#### 3. Union Court Redevelopment

The Union Court Redevelopment has consumed the attention and energy of the Association this year and will continue to do so for the duration of the 2017 office-bearers terms. ANUSA sits across the working groups and has representation on the Project Reference Group and Tenancy Selection Panel. This has not been without its difficulties. Office-bearers are rightly expected to respect commercial inconfidence but are also accountable to the concerns and frustrations of the student body. ANUSA has continued to represent the concerns and frustrations of students on the committees they sit on and advocated for a greater internal communications strategy. I note the importance of ANUSA having representation on these committees/panels/working groups even where it requires that information not be disclosed. These bodies are an important avenue to give voice to the concerns of students.

Owing to ANUSA and PARSA's ongoing frustration with the lack of an internal communications strategy on the part of the university concerning the Union Court redevelopment both Associations have developed the 'Our Union Court' communications platform. It will feature a designated page on both websites (still in development at this stage) and a shared Facebook page. The objectives are threefold:

- To disseminate and streamline information about the Union Court redevelopment.
- To offer commentary on matters that positively or adversely affect students in the process of the redevelopment.
- To advertise opportunities for students to give input and feedback on the Union Court redevelopment.

I would appreciate it if people like and share the Facebook page: <a href="https://www.facebook.com/OurUnionCourt/">https://www.facebook.com/OurUnionCourt/</a>

The Social Officer is developing an activation strategy that will guide ANUSA's social program in the Pop-Up Village and we continue to seek student feedback.

Students can contact me at <a href="mailto:sa.president@anu.edu.au">sa.president@anu.edu.au</a> with questions, idea or feedback.

# 4. Department Honoraria/Stipend

In 2016 there were changes made to the Payment Regulations to give greater support to Department Officers. The 2017 ANUSA office-bearers were successful in acquiring \$15,000 of SSAF funding per Department to assist in the facilitation of this process. I have worked with the seven Department Officers to guide them through the regulations so that members of each Collective can determine the arrangements that best suit their Department.

#### 5. ANUSA Staff, Representatives & Volunteers

ANUSA has engaged a new Communications Officer and three Clubs Administrative Assistants. There has also been turnover of five ANUSA representatives (Education Officer, CASS Representative, CAP Representative, CECS Representative & JCOS Representative) that have occurred out of the standard annual term of office.

The success of the Association is dependent on the dedication and commitment of professional and casual staff, elected representatives, committee chairs and volunteers both current and former. As such, on behalf of the Association I would like to express our gratitude to these people who work diligently to improve the student experience for ANU undergraduates every day.

# 6. Student Services Amenities Fee (SSAF)

ANUSA has been allocated a sum of **1,831,536**, which included funding for shared services and programs run in collaboration with PARSA and ANUSM including MSL and the Clubs Council. The Association has seen sizeable growth over the last five years, with each year seeing increases in the SSAF allocation. Table 1 below provides an overview of the Association's SSAF Allocation (inclusive of shared services) from 2012 to 2017.

Table 1 Overview of ANUSA SSAF Allocation from 2012-2017

Year	SSAF Allocation	Percentage	Percentage
	(incl. shared	Increase from	Increase from
	services)	2012	Previous Year
2017	\$1,831,536	155%	3.25%
2016	\$1,773,922	150%	9.2%
2015	\$1,624,486	137%	7.5%
2014*	\$1,511,242	128%	16.1%
2013	\$1,302,050	110%	10.1%
2012	\$1,182,095	-	-

<sup>\*</sup>Note the large increase in 2014 is due to the Association being allocated \$100,000 for the procurement of Orgsync.

I would like to take this opportunity to thank Eleanor and Harry for all their work in putting together such a successful bid and in particular their efforts in the negotiation meetings with the ANU and other Student Associations. Additionally, I

would like to thank our Finance Officer Brendan for all his assistance in the preparation of the bid.

The 2017 Funding Submission can be accessed here - <a href="http://www.anusa.com.au/your-anusa/financial-reports/">http://www.anusa.com.au/your-anusa/financial-reports/</a>.

# Capital Works

Each year a portion of SSAF funds are reserved for the purpose of Capital Works projects which enhance the student experience and are in line with the SSAF agreement. For 2017, ANUSA supported two proposals from the funds available. For reference there was \$400,000 available. These projects were:

- Additional funds to ensure that the Science Precinct redevelopment could be completed.
- Making Hancock Library a 24 hour library.

#### 7. Student Assistance Unit

The ANUSA Student Assistance Unit (SAU) provides free support, advice and assistance to undergraduate ANU Students. University can be hard to navigate and the Student Assistance Officers are here to help. The Student Assistance Officers are professional staff, not current students, and confidentiality is assured.

You can visit the ANUSA Office Monday to Friday, 9am-5pm (no appointment required), phone: 6125 2093 or email <a href="mailto:sa.assistance@anu.edu.au">sa.assistance@anu.edu.au</a>. The Student Assistance Unit can help in a variety of ways, this might include information about:

- Centrelink payments, eligibility and policies;
- Bursaries and scholarships:
- University programs and services;
- Taxation; and
- Community based services.

#### They can also help with:

- Applying for bursaries:
- Budgeting advice;
- Free lunches and dinners for students who have any barrier to getting a healthy meal whether its physical, financial, timer pressures, etc.;

#### 8. Legal Service for 2016

The jointly operated ANUSA and PARSA legal service for students and student organisations has had its busiest year to date, with the first full year of operation with two part-time lawyers. We were able to help students and student organisations address over 600 legal matters (614) during the year. About 83% of all matters were direct front line service to students. In 2015 62% of matters were student matters. This is a welcome enhancement in the provision of service to students.

The students who access the legal service are diverse and represent all areas of the university. Postgraduates slightly outnumber undergraduates at 53% of student related matters. About 55% of postgraduate student clients are coursework students and 43% are research students, with the remainder made up by combined coursework/research students. International students are strongly represented and represent around 63% of the student case load. The male to female gender ratio was around 51%/49%. Over the last 3 years the proportional gender access has varied between 52% and 48% in both directions. Students living off-campus represented around 59% of the case load. Students from all ANU colleges access the legal service and at all year levels. Most students (about 81.5%) either know about the existence of the legal service themselves, or learn about it through friend's recommendations or referrals or are repeat clients or are reached through promotional work (about 9.3%). The legal service participated in O-Week activities to promote the legal service both at the beginning of the year and mid-year. Work by ANUSA and PARSA communications is very valuable, with posters, flyers, participation in market day and other promotions having been referred to repeatedly as a source of knowledge about the legal service.

# 9. Operational Plans

ANUSA has provided ongoing feedback to the operational plans for the ANU. These complement and sit under the ANU Strategic Plan released earlier this year passed by Council. The Operational Plans ANUSA has been particularly involved in have been the Academic Plan and the University Experience Plan.

These Operational Plans are tremendously significant for what the ANU will look like over the next couple of years so I request and place great weight on any feedback I receive from students. I have attached the draft Academic Plan and any feedback can be sent to me via email at <a href="mailto:sa.president@anu.edu.au">sa.president@anu.edu.au</a>.

#### 10. 2017 Projects

To note there are a range of ongoing projects being undertaken by myself in collaboration with various other representatives or staff. A brief overview of these are outlined below, though I would encourage students to refer to SRC or CRC documents for regular updates and more detailed information or contact me via email at sa.president@anu.edu.au.

#### Course Representatives

I have adopted this project from my predecessor and have made some headway. For context, not all Academic Colleges have Course Representatives and not all that those who do receive support or guaranteed, structured engagement with lecturers, convenors and senior members of the Academic College. At present, the Joint Colleges of Science have the best structure in place. Consequently, I have worked with the ADE JCOS on launching a pilot support and training program for science course representatives. To note I have now completed a draft of a handbook that JCOS is happy with and a training program that they are also happy with. I will aim to organise two training sessions in Semester 1 and have explored options to financially support projects of Course Representatives as a means of ascertaining demand. I will also continue to work with other Academic Colleges on the development of similar schemes that are applicable and relevant to their College context.

I have already made representations to University Education Committee and Academic Board concerning the virtue of Course Representatives and have the support of the DVC(A) to advocate their adoption across Colleges.

#### College Representative Council Reform

One of my main areas of interest has been reform of the CRC. I have worked with the General Secretary on this project and will let them speak to this project. I will note my thanks to Kat for their work on this matter and that I am supportive of the proposed changes to the structure of CRC that will see it be a more proactive, useful body that has a clearer role in relation to the SRC.

# Go8 Advocacy Project

A particular interest of mine has been ANU's relationship with the Group of 8. Consequently throughout December and January I communicated with the seven Presidents of the other Go8 member university student Associations/Unions. For noting the eight relevant bodies are: UWA Student Guild, University of Adelaide SRC, Monash Student Association, University of Melbourne Student Union, University of Sydney SRC, University of New South Wales SRC, University of Queensland Union and ANUSA. The seven other Presidents committed to participation in a proposed advocacy body. I developed a terms of reference which was accepted at an in-person meeting at President's Summit where I was elected the inaugural chair of the body. I have since contacted the Group of 8 organisation and successfully arranged a meeting with the Deputy CEO.

#### Mature Aged Students Engagement

Nick Sifniotis, the former ANUSA CECS Representative and a Mature Aged Student, and I have worked on a year long project of mine, which is improving ANUSA's engagement with undergraduate mature-aged students. Actions taken so far:

- Creation of a Mature Aged Students Committee Facebook group
- Hosting a stall on market day with a banner and mailing list sign up sheet.
- Organising an O-Week welcome evening that was well attended. It was an
  opportunity to advertise services available to mature aged students and get
  them to sign up to my mailing list. I'd like to thank the O-Week team for
  assisting me in the organisation of that event.
- End of term drinks
- Facilitation of a survey

I would like to thank Nick Sifniotis and Nick Blood for their advice and assistance in this work. I'm hopeful that ANUSA can meaningfully engage with an issue where we have historically been lacking.

In total, ANUSA will be allocated with \$1,681,536 for its operation in 2017 – a 6.8% increase from 2016. Also, ANUSA again will receive the most amount of funding among all students' associations, ANU Sport and Division of Student Life who participated in the SSAF bid.

# 2. **Vision for 2017**

For 2017, as the ANUSA Treasurer, I am aiming to:

- Hold the association accountable for its financial decisions and always ensure that every decision is made in the best interests of all the members of ANUSA:
- Assist the association to achieve better long-term sustainability by exploring new revenue streams (e.g. investment options), establishing more partnerships with external organisations as well as better taking better use of the association's assets;
- Assist the association to further develop as an incorporated organisation by building a more valuable brand that is recognised both inside and outside ANU.

# 3. Summary of Term1 and Term2

#### O Week

 In total, ANUSA received external sponsorship worth \$39,204.72 from more than 70 sponsors who participated in the O week

- This includes payment for show bag inserts, Market Day Stall and sponsorship for individual events
- Besides monetary sponsorship, ANUSA also received other forms of sponsorships including marketing promotion and food;
- Friday Night Party received sponsorship for the first time.
- \$39,204.72 is the most amount of sponsorship ANUSA has received in O Week

Long Term Sponsorship - Murrays Coach

ANUSA's 2017 agreement with Murrays has been finalised and signed. Key highlights are:

- Guaranteed \$30 ticket with free 6<sup>th</sup> trip
- 1.8% commission for every ticket bought with ANUSA's link (estimated annual income for ANUSA: \$6,000)
- A certain amount of free tickets might be offered to ANUSA as bonus
- Mid-year performance review will be conducted
- In return, ANUSA will offer social medial promotion (Facebook and website)

ANUSA Sponsorship and Commercial Development Working Group

After open application process, a new small working group has been established with the purpose to explore new opportunities that will benefit ANUSA and its members. Inspired by the business opportunity report produced by the consulting firm – One10 that ANUSA engaged at the end of last year, the working group will focus on four main areas:

- 1) Solution to the shortage of end-of-trip facilities;
- 2) "Groupon" style discount for ANU students;
- 3)Business venture;
- 4) Bush week sponsorship expansion.

Due to the limited amount of time left until the end of the academic year, the working group is aiming to provide business case plans for 1), 3) and put 2),4) into actions. However, should conditions allow, the working group will also initiate pilot projects for 1) and 3).

#### **DISCUSSION ITEMS / MOTIONS ON NOTICE**

**Motion 1:** That the duly audited Annual Financial Statement be accepted.

Moved: Harry Feng

Seconded: James Connolly

[See Attached Annual Financial Statement for supporting documentation for Motion 1]

**Motion 2:** "That the Association amend the Electoral Regulations section 2.5.1 to add the following:

"\*For the duration of the Union Court Redevelopment project, "Melville Hall Student Space" shall be substituted for "Union Court precinct" until Union Court is operational for day to day activities. Should this occur, "Melville Hall Student Space" shall revert to "Union Court precinct" and this clause will cease to have affect.

Therefore section 2.5.1 shall read:

On each of the four Teaching Days upon which the Annual Elections are held, at least 5 hours of polling must be conducted in the Union Court precinct\*. The Returning Officer or their nominee must ensure procedures are in place to enable ordinary members of the Association to cast their vote in the Union Court precinct at these times.

\*For the duration of the Union Court Redevelopment project, "Melville Hall Student Space" shall be substituted for "Union Court precinct" until the completion of the Union Court Redevelopment or the Pop-up Village is demolished, whichever most convenient. Should this occur, "Melville Hall Student Space" shall revert to "Union Court precinct" and this clause will cease to have affect.

Moved: Kat Reed

Second: James Connolly

**Motion 3:** "That the Association repeal the existing Schedule B - Exclusion Zones to the Electoral Regulations, and move to adopt the proposed new Schedule B as presented in Appendix 1.
