BY: hired bush week coordinators, have done 3 lawyer interviews, student assistance next week, should hire lawyer by end of the week, do SUAW towards end of the week, Clubs/SEEF shortlisting atm. Logo tender put out today. PG rep recruitment, working on comms w/ Kate for reference group. We won't have PG reps until 2 aug, running a reference group until then for committees which need postgrads, have had a lot of PARSA reps EOI for this. Having HDR students at beginning is great, harder group to reach. Bunch of regulation changes need to be done before 2 aug. Phi and I had a meeting w/ Royston, working on a paper Ben's drafted to have all committee memberships be the same re: appointment and postgrad requirements go through us.

BY: if we're measuring numbers of students, we need to separate HDR and Postgrad Coursework, more so about service delivery.

Grace Night Cafe BKSS Stuff BKSS passed the audit Rep support ULH Less Stresstival

GK: working on Night Cafe to pitch a 'skills cafe', but a lot of this relies on having a particular space i.e. can't run barista training if we don't have a space for that. Doing a lot w/ BKSS tasks rn, passed the audit yay! Passed better than the last too years 'we're *so* food safe'. Been doing quite a bit of rep support. Been starting to fix ULH, want the form to be a lot better. Less stresstival was so successful, all the hats are gone and all the revitalise beanies.

Bush week teehee

CC: BW market day is much smaller

BY: Where there are people who we may miss out on commercial opportunities – don't give a double stall?

CC: more to do w the amount of clubs. Have to come up with a theme

We discussed BW themes.

NTEU

GK: the vote – in favour of industrial action – will be around BW, will potentially affect how we engage. Obviously we'll support.

Welfare officer

Agreed on an approach to the vacancy with Kai. Proposal to fill vacancy by offering to other candidates from 2022 Welfare Officer election in reverse order of exclusion.

No dissent – will be sent around once resignation happens officially.
